\$9.99
 Sizes M-XL

IN STOCK!

Special seasonal pricing is now available on some of the industries leading products, proven for both quality and reliability. We are proud to offer both jackets and sleeves made of industrial green Fire resistant (FR) 100% cotton fabric. This material is treated to maintain its flame retardant characteristics for up to 50 home or 25 commercial wash cycles! Conforms to ASTM D6413-99 Testing Standards for flame retardant and washing durability.

Flame Resistant 100% Cotton

Available Sizes **M-4XL**

Sizes Larger than XL - extra fees apply.
 See Price Chart Below

T&I also offers a full-line of welding, cutting, and safety products. See your salesman for more information.
